

## What A Friend

### Verse 1

Everybody has trials and temptations  
Everybody knows heart break isolation  
But we can lay our burdens down  
Lay our burdens down

### Chorus

What a friend we have in Jesus  
East to west my sins are gone  
I see grace on every horizon  
And forever and ever His heart is my home

### Verse 2

Everybody has fears everybody got worries  
Everybody knows sorrow devastation  
But we can lay our burdens down  
Lay our burdens down

### Bridge

No more betrayal for He is faithful  
He fills me up and my cup runneth over  
No more betrayal for He is faithful  
How He has proven it over and over (over and oh)

## **Open Up The Heavens**

Verse 1

We've waited for this day

We're gathered in Your Name

Calling out to You

Your glory like a fire awakening desire

Will burn our hearts with truth

Pre-Chorus

You're the reason we're here

You're the reason we're singing

Chorus

Open up the heavens we want to see You

Open up the floodgates a mighty river

Flowing from Your heart

Filling every part of our praise

Interlude

Oo oo oo oo oo

Verse 2

Your presence in this place Your glory on our face

We're looking to the sky

Descending like a cloud You're standing with us now

Lord unveil our eyes

Bridge

Show us show us Your glory

Show us show us Your power

Show us show us Your glory Lord

Ending

Oo oo oo oo

## **Don't Give Up Hope**

### Verse 1

This world just keeps on getting crazier

And crazier everyday

You're so afraid

Sometimes it feels like

It's chasing your sanity away

And you start to break

Let me help you find your way

### Chorus

Don't give up faith

Don't give up hope

There's always something better

Waiting around the corner

Don't give up now

Please don't let go

What can feel like the ending

Could just be the beginning

Don't give up hope

### Verse 2

Your life is spinning

Like a rocket that's gone out of control

And you've let go

You're slowly losing your confidence

You're a wounded soul

But I hope you know

I can help you find your way

Bridge

Don't turn around

Keep on moving

Find your faith

And you'll be doing alright now

Don't look back

Keep on moving

Find your faith

And you'll be doing alright now

## **More Than Anything**

### Verse 1

I know if You wanted to You could wave Your hand  
Spare me this heartache and change Your plan  
And I know in a second You could take this pain away  
But even if You don't I pray

### Chorus

Help me want the Healer  
More than the healing  
Help me want the Savior  
More than the saving  
Help me want the Giver  
More than the giving  
Oh help me want You Jesus  
More than anything

### Verse 2

You know more than anyone that my flesh is weak  
And You know I'd give anything for a remedy  
And I'll ask a thousand more times  
To set me free today  
But even if You don't I pray

### Bridge

When I am desperate and my heart's overcome  
All that I need You've already done
