A contribution has been made to the **Church Budget** in memory of *Mr. Vance McGee* by April & John Battle.

The next **Word on the Street mission** will be on Thursday, June 8th. We'll start around 9:00 preparing the meal, then taking it downtown to Hope Chapel around 11:00 to serve. We would like to have a few homemade desserts to take with our meal, **please nothing that has to be kept cold**. We welcome all who would like to be part of this awesome ministry serving our brothers and sisters.

The glory of gardening: hands in the dirt, head in the sun, heart with nature. To nurture a garden is to feed not just the body, but the soul.

WEED, PRUNE & PRAY

The Beth Moore Memorial Garden (*the area to the left of the sidewalk going into the educational building*) has been cleaned up & replanted.

June 7 at 8:15am there will be the first WEED, PRUNE & PRAY gathering.

The flowers planted were chosen because they attract & support pollinators...bees, butterflies and hummingbirds. Vegetable plants, fruit trees & other flowers cannot survive or thrive without pollinators. This reminds us of the world & we are its pollinators. We share the love & story of Jesus so that others can survive & thrive.

The Word of God is planted in our hearts but it takes time & attention to grow in God's grace & likeness. Gathering together to share our needs & struggles and to give encouragement to one another is one of the ways to tend our spiritual gardens. Spending time in creation is one of the ways to feel close to God & allow Him to speak to our hearts.

The hope is that the **WEED, PRUNE & PRAY ministry** will benefit both the Beth Moore Garden and the garden of the heart.

The goal is to meet for an hour each Wednesday to weed, prune & care for the garden as well as share needs & join together in prayer.

Everyone is welcome!!

You don't have to make any kind of commitment!!

You don't have to have a green thumb!!

The time will be limited to 1 hour so those that need to get to work can do that.

You don't have to commit yourself for the long term or to every week. The prayer is that God will send you when you are needed or when you are in need.
